(Verse 1)

Her name is Penny,
She loves to poop her diapers,
She hails from Scotland,
The land of bagpipers,
She's fussy and cranky,
And pees up a storm,
Hurray for Penny,
She's chubbier than the norm,
She's chubbier than the norm,
She's chubbier than the norm,
Hey!

(Verse 2)

Her name is Penny,
She loves to poop her diapers,
The smell will kill ya,
Like a team of snipers,
She's fussy and cranky,
And pees up a storm,
Hurray for Penny,
She's chubbier than the norm,
She's chubbier than the norm,
She's chubbier than the norm.

(Bridge)

They call her Penny the Pooper,
That's her nickname,
She's Penny the Pooper,
'Cuz poopin's her game,
Poor Penny the Pooper,
Ain't it a shame,
Do you think her mother and I are to blame?
Or is Penny just insane?
